Inova Children’s Hospital Altieri Memorial Lecture
Department of Pediatrics

Evaluation of Non-Ill- Appearing Febrile Young Infants: Where Do We Stand in 2020?

Nathan Kuppermann, MD, MPH
Distinguished Professor, Departments of Emergency Medicine and Pediatrics
Bo Tomas Brofeldt Endowed Chair, Department of Emergency Medicine
University of California, Davis School of Medicine
Principal Investigator, PRIME Node, Pediatric Emergency Care Applied Research Network (PECARN)

Thursday, June 4
0800-0900

Learning Objectives:
By the end of the presentation, participants will be able to:
1. Describe the epidemiology of serious bacterial infections (SBI) in infants 2 months and younger
2. Discuss the 2 newest SBI prediction rules and novel biomarkers
3. Speculate on novel directions and frontiers on this topic

Target Audience:
Pediatricians, Family Medicine physicians, emergency medicine physicians, residents, and medical students

FOR REMOTE ACCESS:
