PSV Provider Transition Guide

Provider Destinations and Referral Information for June 2027

After 13 years of partnership, Children's National and Inova Children's will move forward as independent practices, and Pediatric Specialists of Virginia (PSV) will close at the end of June 2027. PSV providers will transition to either Inova Children's or Children's National. The list below identifies each provider's planned destination to help referring providers coordinate ongoing patient care. **PSV's last day of patient care will be June 24, 2027**. We will share updates as more details become available.
